Pack 221
Oct 2008

What a great start to our scouting year 2008-2009. It's hard to believe that already two full months of cub scouting has passed by. Those two months were filled with lots of activities within our dens. Joining night back on Sept 16 was very successful!! Six boys joined in the Tiger den and two new scouts joined in our wolf den.

Bicentennial Parade: We marched from RHS all the way to Tri-City Plaza, and the best part was that the rain held off!! Those participating had a great time, and I do believe we may have a few politicians on our hands, some of the boys had the waving down to an art, at times using both hands at once to maximize the crowd. It was nice that we had scouts representing all dens. Marching that day from our wolf den was Tyler Cascario and Joseph Schultz bears had Kevin Lindstrom, Ray Tonioni and Jeremy Moynihan from webelos we had Thomas Rivet, Kevin Lindahl and Mat Mlodzinski.

den news

Webelos: Webelos I and II camped at Gay City park with Troop 86. The scouts enjoyed lots of outdoor activities. They biked and hiked to mention a few but by far the most excitement came during the evening when the sun went down and the moon was the only light on the campsite. An exciting and adventurous game of capture the flag took place. The boys refueled their tummies with a delicious turkey meal cooked in a tinfoil oven that was fit for royalty!

Den 6 (bears) recently visited the Nathan Hale House in Coventry and learned many interesting facts about our local state patriot, Nathan Hale. We toured the Hale house, found out about how they lived in the 1700's and also heard a ghost story! We also got to practice writing with a quill and ink, learned how to make invisible ink, and finished up our tour with a walk through the corn maze. Ask our den scouts about the ghost that may live in the house or about Nathan Hale!

Den 2: Camped out with Troop 2 at Auer Farm last weekend.... Brrr, good thing we had warm sleeping bags! Highlights included games, a hike to a tower overlooking nearly all of Connecticut as well as setting up camp, performing campfire skits, cooking meals. It was a great time for all!!
